Module Outline

Play with Docker

Docker for Mac / Docker for Windows

Docker on Windows Server 2016

Docker on Linux

Play with Docker

A free Docker playground

Docker for Mac/Windows

Developing with Docker on your laptop

Docker for Mac
Linux containers
(via a Linux VM)

Local development

Docker for Windows
Windows or Linux
containers

Docker on Windows

Production-grade on Windows Server

Docker on Linux

Where it all began

Coming up

NEXT MODULE

Architecture & Theory
